The Fall Sea-n-Sail Adventure Camp is a two-day camp that is designed to bring about a greater awareness of our original history and maritime heritage through a variety of fun, educational activities. Camp is offered by the Maritime & Seafood Industry Museum of Biloxi, Inc. It is open to students, 6–12 years old .

Individual activities will range from one to four hours in duration. Camp activities include a variety of unique hands-on experiences which will make regional history and heritage come alive.
